

Kronenstadt Ski Club 2017 Trip Sign Up Log

3/20/2017 11:46 PM

To be entered onto the log, a signed Trip Application for each trip along with payment in full must be received by the VP of Trips. If you pay for multiple trips with one check, your check will be cashed even if you are on the wait list for one of the trips. It is best to send a check for each trip. Your check will not be cashed until you are confirmed onto the trip. Note there will be a surcharge if the trip has less than 7 people. See Ski Trips on the website.

Room assignments are not made until just before the trip date. This list is the order of sign up, not the condo assignment.

Please consider helping the club by volunteering to serve as Trip Leader.
