

Kronenstadt Ski Club first came into existence in 1961 and officially adopted the name "Kronenstadt" (Crown City) in 1963. We are one of the longest established ski clubs in Southern California. Club activities are limited to adults who are over 21 years of age.

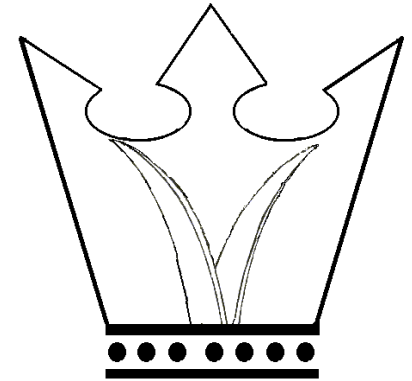

The Kronenstadt Ski Club is unique in offering social skiing and snow boarding opportunities in a distinctly noncompetitive atmosphere. We schedule a number of trips to Mammoth Mountain each season. At Mammoth Mountain, we enjoy comfortable condominium accommodations and other amenities. We also keep up a tradition of variety in our non-skiing social functions.

If you are looking for a small ski club that is strong on camaraderie and friendship, Kronenstadt will meet your needs. New members are welcome on all trips and events.

Membership Applications are available on the website.

Most of our members, affectionately known as 'Kronies', reside in the San Gabriel Valley, but we also have members and friends joining us from Orange County, San Bernardino County, and the San Fernando Valley. Many of our members sport a blue and white pendant on their ski poles. If you are visiting Mammoth Mountain, please stop and say hello.

To become a member, download the membership and waiver forms from the website. A new form is needed to be filled out each year. Mail the signed forms and check to our Membership Chairman listed on the form. Once you are a member, you may fill out the Trip Application Form for each trip you wish to go on and mail them along with payments to our Vice President of Trips.
